Dear Parents,

We are informing you of the continuation of the partial acceptance of students and the online lessons after June 15.

We wrote in our letter dated May 27 that we would resume the school completely on June 15 if it is judged to be possible. However, judging from the present situation, we have decided to continue the partial acceptance and the online lessons even after June 15. We are currently planning to continue this decentralized schooling plan until July 18. However, we would like you to be aware that this may change depending on the situation.

As for the grouping of the students, please let us give priority to the students in the lower grades because they absolutely need to be taught directly in the classroom. Each homeroom teacher will inform you when your child should come to school.

Finally, as mentioned in our school newsletter, even if your child does not come to school at your discretion, we will regard the absence as being present if he/she attends the online lessons.

Thank you again for your understanding and cooperation.

Sincerely,

D. Tagawa S.M.

Fr. Dominic. S. Tagawa
