

Looking back over the year 2020

Parents, it's the last month of the academic year. Time goes by, but God's words do not. The word "truth" is always true and eternal.

We would like to express our sincere gratitude to everyone who has cooperated with Gyosei International School's education. Children, you are protected by Mother Mary in Heaven and live in the light. On earth, your parents protect you. You shall be grateful to the people who have been taking care of you for your physical and mental growth.

Did you have a good time and study with your friends? If you did something unpleasant to your friend, you shall apologize to him/her for that.

As the new school year starts, you shall pray God with fresh feelings for a rich and peaceful life. Please do your best in the new term with a new goal while being grateful every day.
