

Prayers

A gift of rosary was given to each student on Mother Mary's Day. It was for the first time in our school history of 26 years that rosaries were given to all the students. It is an item for praying. We pray to Jesus Christ through Mother Mary, asking her to give peace on earth, make an end of the COVID-19 and help those who are suffering. The Rosaries were distributed to you to have these prayers. When you wake up in the morning, you will greet your family members. Praying is to talk to another person. We hold the beads and repeat our prayers. The first thing that Catholic people in Europe are taught is that there is another life in heaven. Humans can live on earth for about 100 years. Going to the kingdom of heaven after that is both our end and beginning. God is there and will protect us. When we pray with a rosary, we begin by chanting the Apostles' Creed. "I believe in God, the Father almighty, creator of heaven and earth, and in Jesus Christ, his only son..." Jesus Christ was born on this earth and lived for 33 years, suffered, was crucified, passed away and was raised from the dead. Jesus who went up to heaven is watching over us in the kingdom of heaven. He taught us to pray. That is the rosary prayer. Praying is to have a conversation with Jesus. We live in a peaceful country. It is because God listens to our prayers. We recite the Apostles' Creed and our faith. Next, we recite the Lord's Prayer. Then, we recite the Hail Mary Prayer, and at the end of our prayers, we chant the Glory Be. We pray to the God of the Trinity for peace on this earth. Even for a short time, please join hands in the morning and evening and say, "May God protect us every day. Please give us food so we can live well and be good to our friends." Anyone can pray anytime, anywhere, so please practice it every day.
