

Additional Message about Our Measure against Infection (15/09/2021 - 30/09/2021)

- On Saturdays, all school buses depart at 13:00 after lunch.
- All students will be required to wear non-woven masks. Masks of other materials will not be accepted.
- Students mentioned below will be required to refrain from coming to school. Please call our school office and attend classes online if possible instead. Their attendance will be regarded as “present” in any of the following cases if they attend classes online. If they do not attend classes online, their attendance will be regarded as “an excused absence.”
 - If the student or his/her family member has fever or other symptoms of cold, the student will be required to stay home for three days instead of coming to school. In this case, if he/she attends classes online, his/her attendance will be regarded as present. If he/she does not attend classes online, his/her attendance will be regarded as “an excused absence.”
 - If the student or his/her family member is infected with COVID-19, the student will be required to refrain from coming to school and stay home until three days passes after the isolation period determined by the local health centre terminates. In this case, if he/she attends classes online, his/her attendance will be regarded as present. If he/she does not attend classes online, his/her attendance will be regarded as “an excused absence.”
 - If the student or his/her family member becomes a close contact and tested positive, the student will be required to refrain from coming to school and stay home until three days passes after the isolation period determined by the local health centre terminates. In this case, if he/she attends classes online, his/her attendance will be regarded as present. If he/she does not attend classes online, his/her attendance will be regarded as “an excused absence.” If they are tested negative, the student will be allowed to come to school.
