

September 9, 2021

Dear Sir/Madam,

We are pleased to inform you that we will start to accept our students coming to school from Wednesday 15th next week in addition to distributing lessons online. This measure will continue until September 30th, 2021. However, due to the extension of the state of emergency until 30th September, the class in the 7th period on Wednesday and the 5th period on Saturday will be cancelled.

As we mentioned above, considering the circumstances of individual households, all the classes except PE, Art and Computer Studies will be delivered online as well from 1st to 6th periods. If your child participates online, we would like you to pay attention to the health of your child and let his/her eyes take a rest frequently. In addition, we would like you to be aware that it will be a heavy burden for the teachers to concentrate on both the students in the classrooms and online at the same time. Furthermore, the mixed type of attending classes online and in the classrooms depending on the day is not allowed from the disciplinary viewpoint, so please make a choice over the entire period from the two alternatives.

We pray for your safety, and we appreciate your cooperation.

Sincerely,

Gyosei International Primary School
