

August 25, 2021

Dear Parents,

Announcement of Online Classes

We are informing you of our online lessons due to the growing risk of the COVID-19.

The start of the second term is coming soon. However, as you know, infection with variants of the new coronavirus are spreading nationwide even among children.

In view of this situation, we have decided to tentatively distribute lessons online to all students for the first two weeks with the guideline below:

1. Period: Wednesday, September 1st — Tuesday, September 14th
2. Schedule & Timetable: 1st period — 4th period as per the same timetable as that of the 1st term.
3. Others:
 - a. The textbooks will be sent to you at your postal address. However, you can pick them up at school if you want to. Please contact your child's homeroom teacher if you want to come and pick them up.
 - b. As for the first day, September 1st, only the term opening ceremony and HR after the ceremony will be conducted, which means no lessons for that day. The ceremony is going to start at 8:40.

We will inform you later of the subsequent measures after September 14. We appreciate your understanding and cooperation.

Sincerely,

Shigeru Tagawa

Principal

Gyosei International Primary School
